The Breakers, Palm Beach, Florida

The Breakers, situated on 140 acres on the island of Palm Beach, Florida, is a luxury oceanfront hotel and one of America's legendary resort destinations. Listed on the National Register of Historic Places, The Breakers was created in the Italian Renaissance-style and inspired by the magnificent Italian villas of the 1400s. With two 18-hole championship golf courses, a 20,000-square-foot oceanfront spa with an ocean view fitness center, a Mediterranean-style beach club overlooking one-half mile of private beach, five swimming pools, luxury beach bungalows, a variety of water sports, 10 lighted tennis courts and an extensive program of family and children's activities, it's a great destination.

To book your hotel room at the \$249 per night rate, visit FoundationsEvents.com or call 888-BREAKERS and reference the Moments of Change conference.
