**Monday & Tuesday 11:20AM**

LIMITED AVAILABILITY. REGISTER AT [FOUNDATIONSEVENTS.COM](http://FOUNDATIONSEVENTS.COM)

## RATES & REGISTRATION

HERE'S WHAT IIBH WILL DO:

- Explore issues relevant to running a successful behavioral healthcare business
- Discuss approaches to helping an individual recovering from addiction regain a healthy body through a variety of methods, including holistic and experiential approaches
- Provide education on different types of therapeutic methods, like CBT and DBT, including the most current ways to treat mental health disorders effectively
- Teach professionals how to identify the signs of a variety of substance abuse and mental health conditions
- Discuss treatment for specialty populations, process addictions and co-occurring disorders
- Explain key aspects of revenue management, marketing and cost efficiency in the treatment industry
